The Honorable Kay Granger Chairwoman
Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting \$805,000 in funding for the Well(ness)essity project in fiscal year 2023. The entity to receive funding for this project is Orange County Asian and Pacific Islander Community Alliance, Inc., located at 12912 Brookhurst Street, Suite 410, Garden Grove, CA 92840.

OCAPICA is requesting \$805,000 in Community Project Funding to be able to provide mental health program services to underserved, low income diverse communities in the 47th district of Orange County, CA. Program services include, counseling, case management, psychiatric, psychoeducation, wellness and support groups, and supportive services. At least 30 will be SMI/SED youth qualifying for Full Service/Wraparound intensive care and another 6,000 will be community members needing trauma informed care related to the pandemic. Community members are referred from area schools, the county health system, community resources, hospitals and clinics, or identified through outreach and engagement in the community.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Alan Lowenthal
Member of Congress
